HARRIS COUNTY, TEXAS PY2005 COMMUNITY DEVELOPMENT BLOCK GRANT CERTIFICATIONS BY THE CHIEF EXECUTIVE OFFICER

The Entitlement Community certifies that:

Citizen Participation - It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan - Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570.)

Following a Plan - It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds - It has complied with the following criteria:

1. Maximum Feasible Priority With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low-income families or aid in the prevention or elimination of slums or blight. (The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. Overall Benefit The aggregate use of CDBG funds including Section 108 guaranteed loans during program year(s) August 1, 2005 – February 28, 2006, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low-income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments It will not attempt to recover any capital costs of public improvements assisted by CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low-income, including any fee charged or assessment made as a condition of obtaining access to such public improvement.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of

a fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force - It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance with Anti-discrimination laws - The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

- (2) The requirements of 24 CFR 576.53 concerning the continued use of buildings for which emergency shelter grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.

- (4) The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.

- (10) The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 CFR 76.56.
- (11) The requirements of 24 CFR 576.57(e) are met dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 CFR Part 58.
- (12) The new requirement of the McKinney-Vento Act (42 USC 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that State and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of State and local resources.
- (13) HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the Department of Housing and Urban Development.

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Citizen Participation

Harris County CEDD considers citizen participation to be critical to the development of successful planning and community revitalization efforts for low-income communities. Thus, citizen input and an open project selection process were instrumental in the development of the PY2005 AAP.

Initial public participation began with the project selection process, which included Applicants Conferences in November 2004. Following the selection of proposed projects, the public was given an opportunity to review the PY2005 AAP during a 30-day public review period. The public review of the PY2005 AAP was held from March 25 – April 26, 2005, with public hearings taking place on April 7th and 26th. A public notice summary including a list of projects and proposed expenditures was placed in the Houston Chronicle on March 25, 2005. The general public was notified of the public hearing scheduled for April 7th and the availability of the draft document for public review at the CEDD office.

Public Comment

Public comments on the PY2005 AAP were received from two organizations during the 30-day comment period (see Appendix F).

On May 10, 2005, Harris County Commissioners Court, as indicated by the Court Order, approved the PY2005 Annual Action Plan. Upon approval by Commissioners Court, the Annual Action Plan was forwarded to the U.S. Department of Housing and Urban Development for review and approval.

Access to Records

All records relating to the development of the PY2005 Annual Action Plan are on file at administrative office of the Harris County Community and Economic Development Department, 8410 Lantern Point, Houston, Texas, 77054. The public has access to these records for a period of five years. Additionally, access to the Annual Action Plan is provided at CEDD's website.

Amendments to the PY2005 Annual Action Plan

Over the course of PY2005 and throughout the life of projects initially funded with PY2005 Entitlement Funds, the PY2005 AAP may be amended. Substantial amendments to the PY2005 AAP include any change in which 1) an activity is deleted or added, 2) the objective of an activity is changed, or 3) the dollar amount awarded to a project changes by more than 25 percent. All other changes shall be considered minor changes.

Substantial amendments shall require a 30-day public review prior to approval by Harris County Commissioners Court. Upon approval by Commissioners Court, the substantial amendment shall be forwarded to the U.S. Department of Housing and Urban Development. Minor changes require no public review. Upon court approval, such changes shall be forwarded to the U.S. Department of Housing and Urban Development.
