**Date:** September 19, 2018

**Re:** Clarification to the 2015 Floods Method of Distribution

---

Harris County wishes to clarify the allocation in the 2015 Floods Method of Distribution (MOD) regarding the line item for the Harris County Flood Control District (HCFCD). The non-housing allocation of \$1,054,977.00 and housing allocation of \$882,066.00 to HCFCD will be managed under the Harris County contract with GLO. Harris County (Community Services Department as administrator) will enter into an Inter-local Agreement with HCFCD to operate the programs with Harris County providing oversight and case management (for housing).

This clarification memo will be added to the Harris County 2015 Floods MOD file.
