Harris County Transit Services Suspends Bus Routes through Tuesday, February 16, 2021 Due to Inclement Weather

Harris County Transit will suspend bus services, due to a major winter storm expected to create extremely dangerous road conditions throughout the transit service area through Tuesday, February 16.

Harris County Transit Service Director Ken Fickes said, “Our priority is the safety of our drivers and passengers. We will continue to monitor the weather and road conditions and update passengers when we are prepared to resume service.”

Harris County Transit passengers can get updates by calling 832-927-4953.

Harris County Transit Services provides residents outside of the Metro service area with transportation alternatives. Through the spirit of cooperation and coordination with other area agencies, Harris County Transit Services promotes equitable, efficient and dependable transportation with will offer increased mobility economic opportunity, minimize traffic congestion and improve air quality through reduced vehicle emissions.
